## **At Melbourne KiDS we respect YOUR Rights.**

### **You have the right to access support that:**

- promotes, upholds and respects your legal and human rights.
- enables you to exercise informed choice and control and maximises your independence relating to the supports provided.
- promotes, upholds and respects your individual rights to freedom of expression, self-determination and decision-making.
- supports you to make informed choices about the benefits and risks of the options under consideration.
- respects your culture, diversity, values and beliefs.
- respects and protect your dignity and right to privacy.
- is free from violence, abuse, neglect, exploitation or discrimination.
- supports you to access an advocate, who can be present at your sessions.
